

For your health  
and nature's wealth.

## INTERNSHIP in the field of PRODUCT DEVELOPMENT

(6 months)

EQUA is a brand belonging to the company ZkotZ d.o.o., busy with distributing eco-friendly water bottles in individual design. We are a successful Slovenian company with headquarters based in Ljubljana. The back up of the brand is a young, joyful and international team that is passionate about Marketing & Product Development in the branch of consumer goods.

Starting **between March to May 2014** we are searching for an intern (m/f) from EU for our headquarters in Ljubljana.

### YOUR TASKS

- Product development
- Background research for new products and market needs
- Generating various concepts and ideas with presentation of renders and drawings,
- Preparation of 3D files for production and organization and communication with possible production plants.

### YOUR PROFIL

- computer rendering
- 3d modeling (ready for production files)
- Solid Works or Catia
- Illustrator, Photoshop, or other graphic program for presenting ideas
- Very innovative
- Disciplined
- Good presenter

- High incentive and motivation
- Communicative, creative & independent way of working

**Student of Industrial or Product design** (preferable at the end of Bachelor) with focus on sustainability design

#### **WE OFFER**

- Creative, healthy and motivating atmosphere in the city center of Ljubljana
- International work experience in a start-up company
- Helping you finding a place to stay in Ljubljana
- Salary 400 €/month

(Additional possibility to get scholarship from ERASMUS work placement).

We are looking forward to your application!

**Required: CV with picture and Portfolio in English as soon as possible**

via E-Mail to Mr. Anže Miklavec, [info@equa.si](mailto:info@equa.si).

EQUA, Kladezna 10, 1000 Ljubljana, Slovenia.
